July 6, 2020

Dear Sac and Fox Tribal Members:

First and foremost, I hope you are doing well and staying safe during this National Pandemic.

For the past several weeks we have been closely monitoring the COVID-19 infection rates in the United States and there has been a spike in the rates all over the United States. Kansas is in the top 10 states with increasing Covid-19 numbers since opening back up and we expect those numbers to keep rising. We want our members to stay safe and healthy. We do not know what the COVID-19 numbers will look like in August, we are still planning on having our Annual General Council Meeting but it will be an informational meeting only since this is not an election year. If things change and the numbers increase, we might need to reschedule at the last minute for every one's safety. Our Accountants at Finley and Cook will not be able to be here in August for the meeting due to their travel restrictions, same for the Auditors and the Hotel Project team. We will have all financials and reports available on the member's portal for review along with Department updates and Tribal updates for you to review.

Our first priority is the safety of our Tribal Members and our Community and we are working diligently daily to keep the Nation running safely. If you have any questions, please call us.

Thank you for your understanding and we pray our members stay safe.

Sincerely

Tiauna Carnes
Chairwoman
Sac and Fox Nation of Missouri in Kansas and Nebraska
